RESPONSIBILITIES NOT ASSUMED

The Committee did not assume responsibility comparable to the above activities with respect to the audits of certain component units, and the various fiduciary funds maintained by the City. The Committee, however, as more fully discussed in Section VI, has extended its purview to include limited involvement with respect to financial statements for some of these organizations.

The Comptroller is obligated by the City Charter to undertake audits and investigations of all financial operations of the City and to perform essentially the equivalent of an internal audit function. The Committee receives the annual report on the results of the Comptroller's audit activities. The independent auditors reviewed the Comptroller's audit reports to the extent necessary under GAAS. The Committee did not consider it necessary to make a further review of the Comptroller's activities.

OPERATIONS

The Committee held seven public meetings and four private executive sessions during the Committee Year ended February 28, 2023.

In addition to the members of the Committee (or their representatives, in the case of the Public members) the public meetings were attended at all times by representatives of Grant Thornton LLP, the independent auditors for the City.

Minutes of all meetings are on file at the Comptroller's Office and are available on the NYC Audit Committee website <http://nycauditcommittee.org/> for public review.

SECTION II

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Grant Thornton LLP served as the City's independent auditors for the City's fiscal year ended June 30, 2022. This firm was not engaged in any non-audit work for the City during fiscal year June 30, 2022.

The Committee undertook a review of the audit scope, as outlined in the *Audit Plan for The City of New York for the Fiscal Year Ended June 30, 2022*, submitted by the independent auditors.

The Committee is satisfied that the independent auditors performed an audit in accordance with GAAS and GAS.

SECTION III

REVIEW OF THE ANNUAL FINANCIAL STATEMENTS

The Committee reviewed the draft financial statements of the City for the year ended June 30, 2022 with representatives of the Comptroller's Office, the Mayor's Office of Management and Budget, and the independent auditors. In Fiscal Year 2022, the City adopted five new GASB statements:

- Statement No. 87 – *Leases*
- Statement No. 92, *Omnibus 2020*
- Statement No. 93, *Replacement of Interbank Offered Rates.*
- Statement No. 97 – *Certain Component Unit Criteria, and accounting and Financial Reporting for Internal Revenue Code section 457 Deferred Compensation Plans-an amendment of GASB Statements No. 14 and No.84, and a supersession of GASB Statement No. 32.*
- Statement No. 99, *Omnibus 2022.*

Based upon the advice of the independent auditors and management, the Committee concluded the City's financial statements to be in accordance with GAAP.

The Fiscal Year 2022 financial statements include component units and fiduciary funds. To include these component units and other entities in the City's financial statements, the City relied on the audit reports issued by the independent auditors of the component units and fiduciary funds. A detailed list of independent auditors and associated entities that presented before the Committee is included in the Audit Committee Schedule at the end of this Annual Report.

SECTION IV

REVIEW OF ACCOUNTING OR OTHER MATTERS

During the year there were no material accounting issues referred to the Committee.

SECTION V

REVIEW OF THE INDEPENDENT AUDITORS' MANAGEMENT REPORT

The City's independent auditors are required by contract to provide the City with comments and suggestions regarding internal controls in a management letter. For FY 2021, the City's management letter included internal control matters identified during the course of the financial statement audit as well as the City's Single Audit.

SECTION VI

REVIEW OF COMPONENT UNITS AND FIDUCIARY FUNDS INCLUDED IN THE CITY'S REPORTING ENTITY

The financial reporting entity is defined in Governmental Accounting Standards Board (GASB) Statement No. 14 – *The Financial Reporting Entity*, which has subsequently been amended by GASB Statement No. 80 – *Blending Requirements for Certain Component Units*. The Committee's scope also includes those units of government identified as ‘covered organizations’ in the New York City Emergency Financial Control Act.

The Audit Committee schedule details the 2022 Committee year review of financial statements, management letters, and other reports and presentations:

- Component units (CU).
- Fiduciary funds (F).
